- ❖ elements of nation.

Definition of Community

Community is “A social group “, observes Bogardus (An American sociologist)

, with some degree of “ we feelings” and “ living in a given area”

“ a group of people living in a contiguous geographic area , having common centers of interests and activities and functioning together in the chief concern of life ” Neumeyer (American)

Maclver says, an area of social living , marked by some degree of social coherence “

Elements of Community

- ❑ A group of human .
- ❑ Living in geographically contagious area.
- ❑ Socially coherent, sharing interests and activities.

Nation Definition

Lord Bryce a well renowned British Jurist defines nation as;

A nation is a nationality , which has organized itself into a political body either independent or desiring to be independent.

Nation

The Word , Nation is derived from the Latin word NATIO meaning BORN.

In the beginning , Nation had an essentially racial connotation .

Baker the British political scientist says that Nation is an ethnic unity but the later and the more enlightened of the political thinkers had a broader outlook of the nation.

The nation is a body of persons inhabiting in a definite territory and thus united together by the primary fact of living together on a common land.

Elements of nationhood

- ❑ Race. (the most important bond of unity).
- ❑ Language . {Common language}
- ❑ Geography.(Geographic Unity combines each group to be nation).
- ❑ Religion. (It is cementing force to join the people into national unity).
- ❑ History. (common historical experience an essential element of nationhood).
- ❑ Community of interests.(binds the people in one nation)
- ❑ Common government.(creates sense of Unity.)
